Travel And Health Checklist

The following checklist will help you to have a safe and smooth journey.

- Insurance** — purchase travel insurance before, or as soon as possible once you have paid the deposit for your trip. Call us to nominate a family member or friend to amend your policy on your behalf or organise a Power of Attorney in Australia if your trip is lengthy.
- Registration** — register your details with the Department of Foreign Affairs and Trade so that you can be contacted in case of an emergency.
- Passports** — check that your passport is valid for at least six months beyond the period for which you are travelling.
- Visas** — organise necessary visas before you leave.
- Credit cards** — check your credit card expiry dates and limits.
- Money** — organise any traveller's cheques, credit cards and/or cash you need for your journey. It is important to find out about the currency laws in the countries you will visit, as some laws will restrict how much money you can bring with you.
- Travel documents** — make at least two copies of your important travel documents e.g. passport, visas, itinerary, travel insurance policy, traveller's cheques and tickets. Take your originals and a copy with you on your journey and leave a copy with a family member or friend.
- Vaccinations** — visit your doctor prior to departure, or contact our Emergency Assistance Hotline regarding any vaccinations or any other precautions that may be recommended.
- Medications** — check that any medications you are taking with you are legal in the country you will visit. If you need to take essential medication with you, make sure that you carry a letter of approval from your doctor or dentist.

- Drivers licence** — check that your Australian drivers licence is acceptable in the countries you will visit. You may need to get an International Driving Permit which can be obtained from an auto club or association in the state or territory where you hold your current drivers licence.
- Adaptor plugs** — purchase adaptor plugs for any electrical equipment that you will take with you.
- Checking-in** — confirm the minimum check-in time with your airline prior to your departure.
- Deliveries/bills** — cancel any deliveries, e.g. milk and newspapers, and pay any bills prior to your departure. Ask a friend or relative to collect your mail and keep an eye on your home while you are away.
- Deep Vein Thrombosis (DVT)** — minimise the risk of DVT while travelling by drinking plenty of non-alcoholic, non-caffeinated drinks, and by exercising the lower limbs regularly to encourage blood flow.
- Luggage labels** — clearly label all of your luggage. Never leave your luggage unattended in a public place, and don't offer to carry anyone else's luggage through customs.
- Local laws and customs** — be aware of the laws and customs in the countries you will visit. Consular assistance cannot override these laws even where they appear harsh or unjust by Australian standards.
- www.smarttraveller.gov.au** — visit this site for more travel tips and travel advice. You can receive up-to-date travel information by email if you register on the smarttraveller website.
- Damaged luggage** — check your luggage as soon as you arrive at your destination. If you suspect your luggage has been damaged or tampered with, report it immediately to the airline and airport/port officials. If your luggage has been damaged or tampered with, seek compensation from the airline or airport/port and get written confirmation of the incident from them.

General Exclusions to your cover, page 32-35 ►

Medical and dental conditions that are pre-existing

Cover for pre-existing medical conditions are specifically excluded from this policy unless approved by us. This applies to any person whether or not they are a traveller covered under this policy, including you, your travelling companion, your relative, your travelling companion's relatives, or your business partner.

To add **optional cover for a pre-existing medical condition**, see page 10 ►

A pre-existing medical condition is an ongoing medical or dental condition:

- that has been either diagnosed or documented as a medical or dental condition, and/or
- that has received medical or dental treatment by a doctor or dentist:
 - 30 days (or 90 days for people 70 years of age or over) immediately before the issue of the policy, or
 - 30 days (or 90 days for people 70 years of age or over) immediately before the travel date, or
 - during the period of insurance on the original Certificate of Insurance if the policy is an extension or replacement of the original policy.

It includes any complication directly or indirectly related to that medical or dental condition.

There are some pre-existing medical conditions that we will cover you for automatically, provided you have no other related pre-existing medical conditions, **however:**

- this cover is only available to you if you are a permanent Australian resident, **and**
- we will only cover them as listed below, provided they are stable and you or anyone else to be covered are not waiting for treatment, results of medical tests or investigations in relation to any of these conditions.

We will cover:

- **Asthma** – if there has been no attack requiring treatment by a medical practitioner in the last 12 months
- **Cataracts** – if you have no ongoing complications, are not on a waiting list for an operation and have not been operated on in the last 30 days
- **Diabetes non-insulin dependent** – if you were diagnosed over 12 months ago, and have not had any complications in the last 12 months. You must also have a current blood sugar level reading between 4 and 10
- **Ear grommets** – if you have no current infection
- **Epilepsy** – if there are no underlying medical conditions, and you have not required treatment by a medical practitioner for a seizure in the last two years
- **Gastric reflux** – if the condition does not relate to an underlying diagnosis (i.e. hernia, gastric ulcer)
- **Gout** – if the gout has remained stable for more than six months

- **Hiatus hernia** – if no surgery is planned
- **Hip replacement** – if performed more than six months ago and less than 10 years ago
- **Hypercholesterolemia (high cholesterol)** – if you have no known heart condition
- **Hypertension (high blood pressure)** – if you have no heart conditions and your current BP reading is lower than 165/95
- **Peptic ulcer** – if the condition has remained stable for more than six months
- **Pregnancy up to and including 24 weeks** – if no complications exist and the conception was not medically assisted
- **Underactive thyroid** – if this is not as a result of a tumour.

We will also provide automatic cover for the following conditions provided they are well controlled, there have been no flare ups or medical intervention in the past 90 days, no medical reviews are planned prior to your departure date and the condition is not associated with any other pre-existing condition:

- insomnia
- eczema
- osteopenia
- solar keratoses
- impaired glucose tolerance
- all joint replacements over six months old but less than 10 years old
- glaucoma
- hay fever/rhinitis
- hearing loss
- hormone replacement therapy
- macular degeneration.

Optional cover for medical conditions that are pre-existing

You may be able to add cover for pre-existing conditions:

- that you, or any person insured under your policy may have, **and**
- that we do not automatically cover

by applying for this option on your policy.

You will need to contact us to apply for a medical assessment.

We must agree to cover the pre-existing condition.

This cover is only available to you if you are a permanent Australian resident. You cannot apply for cover for pre-existing medical conditions of any person not insured under this policy.

If we approve your cover, and you select this option, your approval number will need to be listed on your Certificate of Insurance and you will need to pay us any additional premium we ask for.

Should an approved pre-existing condition change, deteriorate or you discover you require new treatment or surgery before you travel, you will need to reapply for pre-existing cover before you depart on your journey.

If the pre-existing condition is not approved after you have completed the medical assessment process or if you do not want cover for, or do not tell us about, your pre-existing condition we will not cover any loss directly or indirectly caused by any pre-existing condition.

You cannot declare and apply for pre-existing condition cover after you have departed on your journey.

70 years of age and over

If you are 70 years of age or over before your departure date or during your journey, and you are travelling overseas, you are not automatically covered for your medical or medical-related losses.

You will need to contact us for a medical assessment. If we approve your cover you will be given an approval number.

Please read **General Exclusions** on page **32-35** ►

Please read **How to apply for insurance** on page **44** ►

Excess that applies when you make a claim

An 'excess' is your contribution towards the cost of a claim. The amount of the excess that may apply to your policy is shown on your Certificate of Insurance. We will reduce the amount we pay you for a claim for any one event by this excess.

Only one excess applies to each separate event.

Please read **How we settle your claim** on page **49-50** ►

What This Policy Covers

If your travel is cancelled, rescheduled, delayed or interrupted

Cancellation, rescheduling, travel delay and travel interruption expenses are for unexpected events that occur during your period of insurance.

Cancellation and rescheduling cover start from the date your Certificate of Insurance is issued.

Travel delay and travel interruption cover start once you begin your journey.

To add **optional cover for a pre-existing medical condition**, see page **10** ►

Cancelled or rescheduled travel

SUPER PLUS	SUPER	STANDARD
ECONOMY	AUSTRALIAN	CANCELLATION

We will cover any amount you have paid in advance for travel arrangements that are unused and you are unable to recover.

We will also cover your travel agent's cancellation fees up to \$1,000.

If you have paid for your trip using frequent flyer points or similar air travel points and cannot recover the lost points from any other source, we will pay you the value of your lost points.

Please read **How we settle your claim** on page **49-50** ►

Alternatively prior to the commencement of your journey, we will cover the reasonable costs of rescheduling your trip if you are unable to travel on your original departure date, provided that this cost is not greater than the cancellation fees or the loss of your pre-paid arrangements which would have been incurred had the trip been cancelled.

If the reason for rescheduling a journey was due to an illness or injury, this illness or injury may become a pre-existing condition for the new period of journey. If this happens you may need to apply for cover for this pre-existing condition.

We will only cover these costs if you cancel or reschedule your travel because of unforeseen or unforeseeable circumstances that we agree to cover, including:

- you, your relative, travelling companion, travelling companions' relative or your business partner dies or becomes injured or ill. For a relative or business partner not travelling with you, this means a life threatening accident or illness.

- you are retrenched unexpectedly and not voluntarily
- cancellation of a wedding; conference; pre-paid concert, course, or sporting event and the sole purpose of the trip is to attend that event.

You cannot claim for rescheduling costs and cancellation costs for the same period.

Your Responsibilities To Us

Your duty of disclosure

When you take out, extend, or change a travel policy, you have a duty to answer our questions truthfully and provide us with any information that could affect our decision to insure you, or the terms of your policy. This is called your 'duty of disclosure'.

What you must tell us when you apply to take out this policy

When applying to take out insurance we will ask you certain questions. When answering these questions, you must be honest, and you have a duty under the *Insurance Contracts Act 1984* to tell us anything:

- known to you, **and**
- which a reasonable person in the circumstances, would include in answer to any question.

We will use your answers to help us decide whether to insure you and anyone else under this policy, and on what terms.

Who you are answering the questions for

It is important that you understand you are answering the questions in this way on behalf of yourself and anyone else that you want to be covered by the policy.

If you do not answer our questions in this way

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel the policy. If you answer our questions fraudulently, we may refuse to pay a claim and treat the policy as never being in place.

Variation or extension of your policy

When your policy is varied or extended you have a duty, under the *Insurance Contracts Act 1984*, to tell us anything that you:

- know, **or**
- could reasonably be expected to know

is relevant to our decision whether to accept the risk of insurance and on what terms.

What you do not need to tell us

Your duty does not require disclosure of anything that:

- diminishes the risk to be undertaken by us
- is of common knowledge
- we know or, in the ordinary course of business, ought to know, **or**
- is a matter that we indicate your duty has been waived by us.

If you do not comply with your duty of disclosure

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the policy in respect of a claim, or we may cancel the policy.

If your non-disclosure is fraudulent, we may also have the option of avoiding the contract from its beginning.

Your responsibilities when you are insured with us

In addition to your duty of disclosure, there are other responsibilities that you must meet when you are insured with us.

You must tell us if:

- any changes have been made to your travel plans
- anyone listed as an insured under your policy
 - has any pre-existing medical conditions, **or**
 - are no longer travelling with you.

- there are any changes in circumstances during the period of insurance.

In addition, you must also:

- be truthful and frank in any statement you make in connection with your policy
- pay your premium
- take reasonable precautions to avoid a claim being made
- obey all laws and make sure anyone acting on your behalf obeys all laws
- not make a fraudulent claim under this insurance policy or any other policy
- follow the conditions of this policy.

Your responsibilities when you are making a claim

When you make a claim for incident cover, or legal liability, there are a number of responsibilities that you must meet.

You must:

- be truthful and frank in any statement you make in connection with a claim
- take safe and reasonable steps to prevent any further loss, damage or liability occurring
- report loss, damage or theft of your luggage to the Police, transport provider or any appropriate authority within 24 hours of each incident taking place and obtain written proof of the report. The lost, damaged or stolen items must be listed in the report.
- give us any information or assistance we require to investigate and process your claim:
 - this may include Police reports, declarations or evidence of ownership
- not pay or promise to pay for a claim, or admit responsibility for a claim.

In addition, you also give us your rights to claim from anyone else:

- if you have a right to claim from anyone else for an incident covered by us, you give us your rights to make that claim, to conduct, defend or settle any legal action and to act in your name – you must not do anything which prevents us from doing this and you must give us all the information and cooperation that we require.

If you do not meet your responsibilities

If you do not meet your responsibilities, we may refuse or reduce a claim, cancel your policy, or do both. If we cancel your policy, we will advise you in writing.

Please read **General Exclusions to your cover**, pages **32-35** ►

How To Take Out Insurance

How to apply for insurance

If you would like to take out a policy with us, please follow these steps.

1. Choose a plan that will cover your travel destination and suit your needs

- **Super Plus Plan** – for travel to any international destination. This plan is compulsory for any travel that includes USA, Canada or Japan.
- **Super Plan** – is the minimum cover for travel to the UK, Europe, South America, Russia, India, Africa or the Middle East
- **Standard Plan** – is the minimum cover for travel to Asia, including Bali, **or**
- **Economy Plan** – for travel to New Zealand, Norfolk Island or South Pacific Islands
- **Australian Plan** – for travel within Australia only. Medical and dental expenses are not covered under an Australian Plan policy.

N.B. You may not be covered by Medicare or your private health fund if you are cruising in Australian waters; if you wish to be covered for medical and dental expenses, you should consider choosing an overseas plan.

- **Cancellation Plan** – if you want insurance to cover cancellation costs only for travel in Australia, New Zealand or Norfolk Island.

If you change your destination during your period of insurance, please contact us or your insurance adviser to ensure that you are covered.

2. Decide if you need *Singles* or *Doubles* cover

Choose *Singles* cover if you are the only adult travelling.

Choose *Doubles* cover if you are travelling with one adult companion.

Both *Singles* and *Doubles* cover any dependant children.

We can offer cover for a child travelling alone but the Single rate is payable for each child, and the policy must be purchased by a parent or legal guardian.

3. Cover for pre-existing medical conditions or persons 70 years of age or over

You will need to complete a medical assessment if you:

- have a pre-existing medical condition that is not automatically covered under this policy, **or**
- are 70 years of age or over before your departure date or during your journey, and travelling overseas.

Contact us or your adviser for an assessment.

Any dependant children travelling with you that have a pre-existing medical condition will also need to have a medical assessment completed.

4. Apply by contacting us or your insurance adviser

We will provide you with a premium estimate based on the plan that you choose.

Your premium may be higher if you have a pre-existing medical condition we have agreed to cover.

5. Take out your policy

Take out your policy by paying your premium. We will issue you with a policy that is made up of your Certificate of Insurance and this Product Disclosure Statement (PDS), plus any Supplementary PDS we may issue.

6. How to cancel your policy

We provide a cooling-off period that lets you cancel your insurance for a full refund within 21 days of us issuing your policy to you.

However, your cooling-off period no longer applies once you commence your travel, or make a claim within this time.

If you cancel your policy after the cooling-off period, we will refund the amount you paid, less the cost relating to cover for any used period of insurance and less an administration fee of \$50. However, no refund will apply after the cooling-off period if you have submitted a claim or if you have purchased the *Cancellation Plan*.

If you cancel your policy after the travel date noted on your Certificate of Insurance has passed, we will require written proof of the cancellation or shortening of the journey from your travel provider.

How to extend your policy

If you decide to extend your journey and want cover for the additional time you are away, please follow these steps.

1. Contact us or your insurance adviser to ask for an extension

An extension is only available before the current policy expires and if you are a permanent resident of Australia.

You can extend your policy up to three times, but the total of your period of journey on your original policy plus the total period of all extensions must not exceed 24 months or 6 months on an *Economy Plan*.

Please note: You cannot extend an *Australian Plan*.

You must purchase the same plan as your original policy or a higher plan if required should you change your destination.

We will not provide cover on any extension for pre-existing medical or dental conditions previously accepted by us or for any conditions you suffered during the term of your original policy or previous extensions.

2. Tell us about any claims

You must tell us of any claims made or pending, as well as any factors that could lead to a claim being made in the future, as an extension may not be available or special terms may be imposed.

If we accept your request for the extension, you can extend your policy by paying the premium we ask for.

We will issue you with a new Certificate of Insurance every time you extend your policy with us.

Your premium

1. How we calculate your premium

We calculate your premium on a number of factors, including:

- the length of your trip
- travel plan selected
- whether it is a single or doubles cover
- your age
- any special conditions we have applied, including any additional amounts to cover a pre-existing medical condition.

Your premium will be listed on your schedule, including any Commonwealth and State taxes and/or charges (including GST and Stamp Duty where applicable).

2. How to pay your premium

You must pay your premium in one lump sum and we must receive your payment before you commence any travel. If we do not receive your payment before the start date of your period of insurance, you will not be insured.

We may cancel your policy if:

- you do not pay your premium, **or**
- your cheque or credit card is dishonoured by your financial institution.

3. Intermediary remuneration

CGU Insurance Limited pays remuneration to insurance intermediaries when we issue, renew or vary a policy the intermediary has arranged or referred to us. The type and amount of remuneration varies and may include commission and other payments. If you require more information about remuneration we may pay your intermediary, you should ask your intermediary.

How To Make A Claim

1. Contact us or your insurance adviser

We will give you immediate advice and assistance with your claim lodgement, 24 hours a day, 7 days a week.

Telephone: 1800 112 449

Email: travelclaims@iag.com.au

You must tell us of any claims within 30 days of completing or cancelling your journey.

2. Provide us with all the information we need to assess your claim

We will need original medical, dental or Police reports, declarations, receipts, valuations or other evidence of ownership.

For medical or dental expenses, we will need written confirmation of your illness or injury from a qualified member of the medical or dental profession.

For loss or theft of luggage items, we will need a copy of the report you lodged with the Police or other appropriate authority from where the loss or theft was reported, together with evidence of ownership, such as original receipts or operating manuals.

For delay of luggage we will also need written advice from your transport provider of the amount of compensation you are entitled to claim for the delay.

For cancellation or rescheduling expenses, we will need original receipts, tickets, or a letter from the travel agent showing any charges to re-arrange or cancel your journey, or a doctor's certificate or letter from the carrier.

To find out how we settle a claim, see the following ►

How we settle your claim

1. If we agree to settle your claim

The maximum amount we will pay for all claims in total under each section of the policy for the plan you have selected is shown under *Plans available to you* (pages 5-7) and *What this policy covers* (pages 12-35).

If the cover under your policy is for *Doubles*, the limits that apply to the benefits is the maximum amount we will pay for all claims made by you and/or any other person covered under the policy.

Where we make a payment under this policy for acquisition of goods, services, supply or compensation, we will reduce the payment by deducting any input tax credit you are entitled to under A New Tax System (Goods and Services Tax) Act 1999.

Any claims that we pay will be in Australian dollars – the rate of exchange we will use will be the exchange rate applicable on the date you had your loss of expense.

2. If you need to pay an excess

If we settle your claim, we will deduct the amount of the excess from the amount we settle your claim for or we will ask you to pay the excess to us.

3. If we agree to settle your luggage claim

We will decide whether to:

- repair the luggage
- replace the luggage with nearest equivalent new luggage, **or**
- pay you the cost of repair or replacement.

We will not pay more than the original purchase price of any item. We will reduce the amount we pay:

- to allow for age, wear, tear and depreciation
- by any amount that we pay you for emergency purchase of clothing and toiletries, if you make a claim for both lost luggage and emergency purchase of clothing and toiletries from the same incident.

4. If we agree to settle your cancellation claim and you have used frequent flyer points or a similar scheme to purchase your ticket

We will:

- obtain the cost of an equivalent class airline ticket based on the quoted retail price at the time the original ticket was issued
- less your financial contribution
- then multiply this figure by the total number of points lost, **and**
- divide by the total number of points used to obtain your original ticket.

Please read **Excess that applies when you make a claim** on page 11 ◀

Steps to resolve a complaint or dispute

1. Talk to us first

If you have a complaint, the first thing you or your insurance adviser should do is speak to one of our staff. If your complaint relates specifically to a claim, speak with the claims officer managing your claim.

If the staff member or claims officer are unable to resolve the matter for you, you or your insurance adviser may speak to a manager. If you are not satisfied with the decision you can go to step 2.

2. Seek a review

If the matter is still not resolved, the manager will refer you or your insurance adviser to the internal dispute resolution department who will conduct a review of your dispute.

If you are still not satisfied with the decision you can go to step 3.

3. Seek an external review

You are entitled to seek an external review of our decision. We can provide you or your insurance adviser with information on which options are available to you, such as referring you to the external dispute resolution scheme administered by the Financial Ombudsman Service (FOS).
